William (Bill) Hugh Salter

April 13, 1940 to February 28, 2023

William (Bill) Salter passed away peacefully in his sleep the evening of Tuesday, February 28, 2023. Bill leaves behind his loving wife of almost 53 years, Lynne, his son Cory, daughter Lori, granddaughter Dakota who he adored, and his brother Robert (Bob) Salter.

Our hearts are heavy to have lost him, but also full and grateful that he is not suffering any longer. He always had a smile, loved hunting, could fix anything, liked his gadgets, if you needed something he would have it, and usually had a wise ass one liner that would make you laugh. He was likely best known for ALWAYS having the BEST looking lawn on the street. No way would he tell you his secret, but for a certain few he would mix up a batch of his miracle concoction, hand it to them and just said "trust me". Even though he disliked his Toronto doctor appointments, it was a good reason for him to grab his favorite Druxy's corned beef sandwich on rye bread when we were finished. He can rest easy now....he will be missed by many, but we are comforted in knowing that he is the company of some pretty special people.

The family is respecting Bill's wish that there be no service after his passing. A celebration of life will be announced at a later date.

“ I am so sorry to hear of Bill's passing. He is no longer in pain now and he lived a long and happy life with you all. Forever the joker is the way I will always remember Bill. And I will always remember him with a kind thought and a huge smile on my face.
See him in your dreams and keep him in your hearts and his memory will live on forever.
Thinking of you all at this time of sorrow. With love and warm thoughts..... Jennifer Richards (John and Joanne Vugts daughter)
