“ *It will be the little things that you will remember, the quiet moments, the smiles, the laughter. And although it may seem hard right now, it will be the memories of these little things that help to push away the pain and bring the smiles back again.*

To all of the Schweitzer family we send our condolences and most sincere sympathies on Bill Sr's passing.

“ *On more than one occasion, I would ask dad to drive me too meet up with friends at one of the local bars. He not only drove me, he walked me in to make sure I found my friends. It was embarrassing at the time, but realized he did that to make sure I was safe. Love you Dad xoxo*

“ It was my pleasure to call Bill my Step-Dad for the past 15 years. He was a kind, loving and gentle soul who welcomed me into his home and made his home my home-away-from-home.

I have many happy and fond memories of my visits and stays at Mum and Bill - whether it be Cultra Square, Cedarbrook Lodge or the Village of Taunton Mills. His face would light up when he saw me and would always ask if I was staying over or when I would be back. If I was not there he would ask Mum "when is Val coming?" Bill has a special spot reserved forever in my heart, and it is there that he will always reside.

I thank him from the bottom of my heart for loving my Mum and making her happy. She will miss him dearly - as do we.

Rest in love, Bill.
