“ Grizzly was there at Dambusters during the many years to hear my Wutever Band and the many Jam sessions with the musicians, including my father, John/Jack Price and his jam sessions. It was always good to see Grizzly at the Legion and have many interesting conversations with him over the years. He will be missed.
George Price (formerly of the Wutever Band).

“ Uncle Grizz. My only uncle. I love your sassy self. Mom told me today you would watch all of the veterinary programs because you were so proud I am becoming a veterinarian. I have many memories of you, mostly as a child. You will forever be in my heart!
