“ *Finn
I can't just share one memory as there were too many back in the day. We had the greatest times, and you made all the parties we went to the best they could be. You were truly an amazing guy and you impacted ALL of your friends lives, in a good way of course. Gunna miss you, you big teddy bear!*

“ *It aches my heart to try to understand why our children have to go before we do, The pain is inconceivable. My condolences to Bouch's Mother, Little Brother and Family.*

*I got to know your son through my son. Bouch was one of the most polite, loving & good hearted young person I've ever met. He touched the hearts of our whole family. We will miss him dearly.
